THE GENRES REPRESENTED AT ENCORE WEEKEND

COMMERCIAL

Commercial is a dance style taken from many other dance disciplines (Such as Jazz, Street and Modern) It's a combination of self expression, energy and performance. This is an upcoming style of Dance that is becoming increasingly popular within the Dance Industry. You will regularly see this style of dance in music videos, on TV shows or commercials and at music artist's concerts.

COMMERCIAL - WHAT WE ARE LOOKING FOR

We want to see your choreography bring the music to life. We want your performance to relate to the music and have both movement and music synchronicity. We also encourage you to explore your choreographic identity. We want you to stand out for being you!

LYRICAL/CONTEMPORARY

Lyrical/Contemporary Dance is a combination of Ballet and Jazz Dance. Choreographers use the lyrics from songs to inspire the routine. This Style focuses on strong emotion and offers individuals the chance to express themselves freely through movements, portraying the emotion and story of a song.

LYRICAL/CONTEMPORARY - WHAT WE ARE LOOKING FOR

We are looking for creativity and dance content whereby the dancer(s) interpret the music with good technique. Whilst tricks are allowed in this genre, the performance should have a good balance of dance/movement content and acrobatic movements.

MUSICAL THEATRE

Musical theatre dancing is less of a particular style, and more of a description of dancing that is rooted in the diverse history of Broadway musicals. Relying heavily on a knowledge of Ballet, Tap and Jazz, Musical Theatre dancers place a high focus on musical interpretation.

MUSICAL THEATRE - WHAT WE ARE LOOKING FOR

Dancers are allowed to sing over the track and/or mime the lyrics for any Musical Theatre/Jazz performance. We are looking for creativity, performance and energy! If your routine does not include any singing or miming of any kids you will not lose any points.

JAZZ

Jazz is an umbrella term to encompass many different branches, including Technical Jazz, Commercial Jazz, Musical Theatre Jazz. It is fast, fun and incorporates many of the same elements as Ballet and Contemporary including leaps and pirouettes.

JAZZ - WHAT WE ARE LOOKING FOR

We are looking for well represented Jazz Technique, Clean Routines and Energy. Jazz Technique will include elements of Jumps, Precise Arm / Leg movements and breathtaking twists. We want Dancers to express themselves with enthusiasm and put on a performance!

STREET DANCE

Street dance is an umbrella term for a large number of Social Dance Styles such as: Breakdancing, Popping, Locking, House, Waacking etc. Social Dance Styles have many accompanying steps and foundations, created organically from a culture, a moment in time, a way of life, influenced by natural social interaction.

STREET DANCE - WHAT WE ARE LOOKING FOR

This is where we assess the Street Dance Techniques you have chosen to show in your performance. We recognise 11 foundation styles of street dance: (Hip Hop, House, Locking, Popping, Breaking, Vogue, Waacking, Krump, Dancehall, Litefeet & Afro). You will be marked based on the quality of your performance, portrayal and execution of the style techniques.

BALLET / TAP

Ballet Dance Firstly originated in France & Russia. There are 4 different styles of Ballet - Classical, Romantic, Neoclassical & Contemporary. Tap dance is a form of dance characterised by using the sounds of tap shoes striking the floor as a form of percussion. Two major variations on tap dance exist: Rhythm tap and Broadway tap.

BALLET / TAP - WHAT WE ARE LOOKING FOR

We are looking for Well Presented Ballet & Tap Technique. The sound of the Tap Shoes hitting the floor needs to be clearly presented & Ballet Technique needs to include clear lines and definition.

Dancers will be ranked with points throughout the year in their category.
- A minimum of 75% of the competing team must be within the age division they are competing in, with 25% permitted to be older. However, they can only be older by one age division. No over 18-year-olds can compete in the u14 team category.

- Dancers will be separated into heats.

- Recalls will be announced by age division & category, and continue until the final (this is approx. 7 dancers for Solo and 5 dancers for Duo finals).
- Do not miss your category; you will not be permitted to dance in another category. If you are not ticked off at the side of the stage before the category begins dancing, you may not be allowed to dance!

- Props are permitted, providing they comply with Health & Safety regulations. Props must be cleared easily from the dance floor immediately (i.e. No fire, chalk, talc, glitter etc may be thrown onto the stage). The stage must be less in the condition on which it was entered.
- **Contemporary/Lyrical & Commercial Solo / Duo Dancers** must remain in their permitted floor space whilst dancing. Limited movement is permitted within one's own dance space. Rolls, jumps, split leaps, head springs, walkovers are permitted as long as they are completed safely and not in anyone else's dance space or breaching any other dancer or judges safety. Note: We are looking for Dance content so your solo should have 80% dance content and movement but 20% can be Acrobatics if you wish.
- If you are an **Advanced Soloist/Duo** and you reach the final 5, each Solo/Duo will have a 75 – 90 second spot, the music will start from the beginning each time. Please Note: All Solo & Duo categories will be split into Beginner & Advanced and there is a possibility they could be combined based on the number of entries we receive. Therefore, the music set for each AGE CATEGORY will be the same regardless of if you are in the Beginner or Advanced categories for your Solo/Duo.
- Commercial Outfits must be age appropriate, we expect children to be covered in the correct areas and not to wear something that shows too much skin.
- Please ensure there is NO inappropriate movement / gestures permitted (i.e. No explicit or offensive movements) Judges do not wish to see any dancer performing in a non-age appropriate manner. When performing routines please be mindful of the audience, we cater for all ages from under 6 and above, So when expressing yourself be mindful of inappropriate movements for our varied audience. If unsure what is deemed in-appropriate please contact Encore/UDO for clarification on this manner.
- Dancers in a Solo/Duo are not permitted to use any tricks in the heats. All tricks must be kept to the final. "Trick" = anything construed as a gymnastic or acrobatic move where both hands and feet are off the floor at any given time throughout the trick, or where a dancer is not in full control of their body e.g flips, side aerials, front aerials, back handsprings, somersaults.

Breach of these rules will result in a warning or disqualification.

Age divisions & Category Levels:

Ages are based around the Encore/UDO academic year. There are 4 Age Divisions within the Solo and Duo sections, they are:

Minis (Ages 4-7)

Juniors (Ages 8-11)

Teens (Ages 12-15)

Seniors (16+)

There will be set Music for each AGE division and Style of Dance. E.g. Mini's Contemporary/Lyrical Beginner and Advanced Soloists will have the same Music to perform too. This is to ensure that if categories need to be combined then they will still dance to the same song.

Solo & Duo Ability Categories: Beginner & Advanced

Duo Notes: Duos will dance in the same age division as that of the eldest dancer.

- The category level can be based on the middle ground between the 2 dancers, i.e. if one dancer competes as a Solo dancer in Under 12 Novice (UDO), and the other dancer is Under 16 Advanced, then the Duo is permitted to dance in the Under 16 Intermediate.
- If none of the dancers compete in Solo, then the Duo will use the same rules as solos.

Solo & Duo category levels explained:

- Please note the same applies for Solos & Duos as it does for teams i.e: Ages are based around the Academic / Sporting year.
- Each category is open to: dancers who have not competed previously, but consider themselves to be within that ability category/Dancers who had competed previously, but never won (with 5 or more dancers in their category) or placed (with 8 or more dancers in their category).
- Once a dancer has won (with 5 or more dancers in their category) or placed twice (with 8 or more), they get moved up a level.
- Dancers are not permitted to drop down a category once they have placed and moved up.

Teachers:

- If you're a New Dance Teacher, Assistant Dance Teacher, and / or a professional dancer to Encore/UDO you will be able to compete in Advanced for Solo and Duo. Although after a Judges assessment you may be upgraded to a higher division for the year.
- If you're an existing Dance Teacher, Assistant Dance Teacher, and / or a professional dancer competing with Encore/UDO at an Advanced level and have not placed in the past 18 months, you will be eligible to send a written request to Encore/UDO to change your division for this year.
